The Wezesha Regional Competitions!

The Wezesha Regional Entrepreneurship Competitions is the apart of the series under the Wezesha Awards. This year, the competitions in Eastern, Northern, and Central Uganda gave an opportunity to over 3,000 youth enrolled on the 'Wezesha Impact program experience' to showcase their businesses.

Youth showcase their creativity, skills, and enterprises. Winners from the Regional competitions received monetary awards and were advised to invest them into their enterprises. They also scooped the opportunity to participate in the National competitions

in October. [Read more](#)

The Entrepreneur's Fellowship!

Rising star entrepreneurs, alumni on the Wezesha Impact Program experience came together to share and learn from each other in the first 2019 edition of the Wezesha Entrepreneurship Fellowship. The Fellowship is among the post program support platform for the youth.

In this edition, the young entrepreneurs shared on what they uniquely do to attract and retain their customers or clients, successfully hit the target sales that at the same time motivate them to grow and keep in business.

Building Partnerships.

Imago Dei Fund meets Wezesha Impact .

Lisa R. Jackson, Ph.D (Managing Partner) and Katie Buntten-Wamaru (Program Partner) at [Imago Dei Fund](#) visited us.

They were glad to meet the Wezesha Impact team and some of the youth on 'Wezesha Impact program experience'. We had a great time sharing more about our work with them and also learning more about their organization.

Theodora Frisk from Social Initiative meets the team at Wezesha Impact.

Welcome [Social Initiatives](#) to our community of partners to co-create impact. Our three(3) year long partnership will focus on the creating impact among youth in the Vocational schools on the Wezesha Impact experience and also build on our Monitoring and Evaluation systems.

Meet the Rising Star: Namutebi Justine

Meet Namutebi Justine a single mother currently on the Wezesha Impact program experience. Before enrolling in the program, she was unemployed.

After taking part in the Wezesha Impact Program experience, Justine started a small restaurant from which she makes a profit of \$5 a day.

"My standard of living has been improved. I can take care of my child. Am grateful for the continued mentorship and support from Wezesha Impact"
